

Perquisites for Past Officers and Directors

At an informal session before the July 1982 Board Meeting, the Board members agreed to policies concerning prerequisites to be made available to former members of the Board.

The Board expressed overwhelming agreement with a policy that would permit attendance at ARRL Board Meetings, as observers, by Honorary Vice Presidents, Directors Emeritus, Past Presidents, and Past Directors, with the proviso that this would be at their own expense, and the advance arrangements are made with the President and CEO. The Board favors their attendance, at group meetings.

The Board also favors sending sample copies of new ARRL publications to Honorary Vice Presidents, Directors Emeritus, Past Presidents, and Past Directors, where continuing interest and activity are known to exist. Abuse of this privilege will; terminate receipt of all complimentary publications.
