

**Report of the Technology Task Force
The American Radio Relay League
2008 Annual Meeting of the Board of Directors**

Task Force Members: Vice Director Andy Oppel, N6AJO, Chairman; Chief Technology Officer Paul Rinaldo, W4RI; Vice Director Howard Huntington, K9KM; (Now Former) Vice Director Ned Stearns, AA7A

Task Force Activities

This task force is charged with evaluating the work of working groups commissioned by the Chief Technology Officer, and developing opinions and recommendations for how advanced technology can be practically applied to amateur radio, including, but not limited to, both daily routine activities and emergency communications networks.

The task force has not received any reports or other works from the working groups since our last report at the 2007 Annual Meeting. However, we expect some in the near future.

Future Activities

The task force remains ready to receive, review and evaluate the output of the working groups on an ongoing basis.

Andy Oppel, N6AJO
Chairman
