

Amateur Radio Scavenger Hunt

See if you can find the following things! Put a check when you find it. Since the objects are impossible to collect, answer the questions as proof of your find. Then, return your completed scavenger hunt paper to the Youth Lounge for a prize. You may pick out a prize based on how many points you've accumulated. Remember, it's NOT a race, and you can only use each person on your scavenger hunt ONE time. Have fun!! ☺
